Who owns Britain? - New thinking for the British economy

The UK government says the country is open for business - many British brands are foreign-owned - but equally many British companies make a tidy profit overseas.

Britain for sale? - BBC News

British businesses exporting to the EU could be subject to new tariffs, while even businesses that don't export could suffer if businesses on the continent are subject to new import taxes and thus discouraged from investing in the UK. Brexit benefits are overhyped.

PLC PUBLIC LIMITED COMPANY LIST A TO Z

Under UK company law, a private company (with the suffix "Ltd" usually) may not offer its shares for sale to the public (as can a "plc"). While lists of public companies usually rank businesses according to their market capitalisation (the traded share price multiplied by the number of shares), lists of private companies must use another measure, such as the value and volume of sales during a year.
