The United States is a democracy with a system of "checks and balances" to prevent any one group from having too much power. There is an elected President, the Congress made up of the Senate and the House of Representatives (all elected), and the Supreme Court comprised of 9 politically appointed judges that serve for life.

~~United States English Vocabulary American Icons, People~~
The military history of the United States in World War II covers the war against the Axis Powers, starting with the 7 December 1941 attack on Pearl Harbor.During the first two years of World War II, the United States had maintained formal neutrality as made official in the Quarantine Speech delivered by US President Franklin D. Roosevelt in 1937, while supplying Britain, the Soviet Union, and ...

~~Military history of the United States during World War II~~
In the March 29, 1941 report of the ABC-1 conference, the Americans and British agreed that their strategic objectives were: (1) "The early defeat of Germany as the predominant member of the Axis with the principal military effort of the United States being exerted in the Atlantic and European area;" and (2) A strategic defensive in the Far East.[2] Thus, the Americans concurred with the British in the grand strategy of "Europe first" (or "Germany first") in carrying out military operations ...
