Read Book Business Government And Society The Global Political Economy Spiral

The role of governments in business and society (B&S) research remains underexplored. The generally accepted principle of voluntarism, which frames responsible business conduct as an unregulated subject under managerial discretion, accounts for this gap. Paradoxically, there are sufficient acknowledgments in academia and practice on different roles of governments.

~~The Role of Governments in the Business and Society Debate ...~~

There is a feeling that the increased business-government-civil society integrations are so valuable that they are evolving a new form of governance (Bruyn, 1991; Zadek, 2001; Waddell, 2002). The government, business and society relationship cannot be discussed in isolation of the concept of Corporate Social Responsibility (CSR)
