Brian Mossop was a French-to-English translator, reviser and trainer at the Canadian Government's Translation Bureau for forty years. Since 1979, he has also been teaching revision, scientific translation, translation theory and translation into the second language at the York University School of Translation.

Revising and Editing for Translators (Translation ...

Mossop offers in-depth coverage of a wide range of topics, including copyediting, stylistic editing, checking for consistency, revising procedures and principles, and translation quality assessment—all related to the professional situations in which revisers and editors work. This revised fourth edition provides new chapters on revising machine outputs and news trans-editing, a new section on reviser competencies, and a completely new grading scheme for assignments.

Revising and Editing for Translators - 4th Edition - Brian ...

Revising and Editing for Translators provides guidance and learning materials for translation students learning to edit texts written by others, and professional translators wishing to improve their self-revision ability or learn to revise the work of others. Editing is understood as making corrections and improvements to texts, with particular attention to tailoring them to the given readership.

Amazon.com: Revising and Editing for Translators ...

Brian Mossop (Terminology Update, Volume 15, Number 3, 1982, page 6) Revision is an essential stage in the translation process, but it does not need to be done by a "reviser." While new translators should have their work revised by someone more experienced, once they have shown themselves capable of achieving a certain standard they can begin to perform the revision function themselves.
