The Sense of Style: The Thinking Person's Guide to Writing in the 21st Century is a 2014 English style guide written by cognitive scientist, linguist and popular science author Steven Pinker. Building upon earlier guides, such as Strunk & White's The Elements of Style and Fowler's A Dictionary of Modern English Usage, it applies science to the process of writing, and explains its prescriptions by citing studies in related fields – e.g., grammatical phenomena, mental dynamics, and memory ...

~~The Sense of Style—Wikipedia~~

Drawing on the latest research in linguistics and cognitive science, Steven Pinker replaces the recycled dogma of previous style guides with reason and evidence. This thinking person's guide to good writing shows why style still matters: in communicating effectively, in enhancing the spread of ideas, in earning a reader's trust and, not least, in adding beauty to the world.
