Chapter 8 Executive Summary Reducing global transport greenhouse gas (GHG) emissions will be challenging since the continuing growth in passenger and freight activity could outweigh all mitigation measures unless transport emissions can be strongly decoupled from GDP growth (high confidence). The transport sector produced 7.0GtCO 2

Transport - IPCC — Intergovernmental Panel on Climate Change
The IPCC WG III AR5 chapter on Agriculture, Forestry and Other Land Use (AFOLU) (Smith et al. 2014 134) assessed mitigation potential considering not only the supply, but also the demand side of land uses, by consideration of changes in diets; it also included food loss and waste. AR5 focused on crop and livestock activities within the farm gate and land use and land-use change dynamics associated with agriculture.

All series have been smoothed with a Gaussian-weighted filter to remove fluctuations on time scales less than 30 years; smoothed values are obtained up to both ends of each record by extending the records with the mean of the adjacent existing values. All temperatures represent anomalies (°C) from the 1961 to 1990 mean.

Radiative forcing is the difference between solar irradiance (sunlight) absorbed by the Earth and energy radiated back to space. It is the scientific basis for the greenhouse effect on planets, and plays an important role in computational models of Earth's energy balance and climate.Changes to Earth's radiative equilibrium that cause temperatures to rise or fall over decadal periods are called ...

The Intergovernmental Panel on Climate Change (IPCC) released its latest report on March 31, 2014. This report was the second instalment of the Fifth Assessment Report, prepared by Working Group 2, on impacts, vulnerability, and adaptation to climate change.1 In this Comment, we, as contributors to the chapter on human health, explain how the IPCC report was prepared and highlight important ...

Climate change and health: on the latest IPCC report - The ...
In the year 1984 a chapter of ICAI was formed under the Chairmanship of Sri CA.P.C.Maskara with few number of members. Since then there was no turning back : the unflinching confidence and the pride they carried in their heart resulted in the Chapter being converted into a Branch under the Chairmanship of CA. D. K. Banerjee in the year 1990 with a strength of more or less 43 members.
