4.5 Stars to Careless by Michelle Heard. Careless is the third book in the Enemies to Lovers series by Michelle heard. I was lucky enough that the opportunity arose that I was able to read books one and two, Heartless and Reckless back to back. That was recently so I did not have to wait very long for Careless. Thank goodness because I was dying for Jax and Leigh's story.

Reckless is the second book in the Enemies to Lovers series and is a complete standalone. It continues the story of the "Screw Crew" and is a good follow-up to book one. It was a great brother's bestfriend type of story with hot chemistry and sweet moments a I am always super excited to start a Michelle Horst book as she has such an exceptional ability to combine a great story with alpha heroes.
