Challenging Behavior In Elementary And Middle School [PDF]
Challenging behaviour is a term used to refer to problematic or
testing behaviours that children, young people and adults can
present. Aggression (hitting out, biting, pinching), destruction of
property (breaking things), self-injury (e.g. biting, picking, head
banging) and many other behaviours fall under the heading of
[challenging behaviour]. These behaviours have the potential to
cause significant harm to the person and others around them and
can impact on their life including family ...

What is challenging behaviour? | Private Child Mental ...
Managing challenging behaviour can be incredibly stressful for
parents. An outburst may be a known reaction to a daily activity, or
sometimes it may be so out of the blue you are struggling to work
out what has caused it. But it always happens for a reason; it's a
way of communicating.

Strategies for Managing Challenging Behavior

Challenging behaviour is caused by several factors interacting with each other such as environmental stressors, stressful living condition, child abuse and school factors. [It is therefore important to intervene as early as possible] (Slaby, Roedell, Arezzo, and Hendrix, 1995) (Tarbox, 2009) (Bessell, 2001a)

Book Review: Challenging Behavior in Elementary and Middle ...

For example parental divorce, unstable background or even lack of authority and caring at home can result in challenging behaviour in class (ibid, p.85). In addition, the values promoted at home can be different from one home to another; so a pupil since is not told off at home for misbehaving is probably going to repeat it in class.
