Change and Apathy: Liverpool

Read PDF Change And Apathy Liverpool And Manchester During The Industrial Revolution

and Manchester During the Industrial Revolution. Vigier's analysis of their organizational structures—how they were archaic and how they were able to respond to conditions created by rapid demographic and economic change—forms the basis for a general theory of the preconditions necessary for municipal planning in a period of widespread social upheaval. The port of Liverpool, gateway for the Irish, American, and West Indian trade, had an ...
