15.3 Characteristics of Organizational Culture ...

In fact, the term organizational culture was made popular in the 1980s when Peters and Waterman's best-selling book *In Search of Excellence* made the argument that company success could be attributed to an organizational culture that was decisive, customer-oriented, empowering, and people-oriented. Since then, organizational culture has become the subject of numerous research studies, books ...

Organizational culture – Problem Solving in Teams and Groups

The only certain way to change a culture directly is to dismantle a group – new processes and rules can affect behavior, but not necessarily culture Finally, success is not guaranteed. In fact, unless the change practitioner is experienced and has a long track record of success, the chances of failure are high.

The Relationship Between Organizational Culture and Change

Changing an organization's culture is one of the most difficult leadership challenges. That's because an organization's culture comprises an interlocking set of goals, roles, processes, values,...
