32-1 Introduction to the Mammals Section 32-1. It is late January in the Appalachian Mountains. In a rocky den beneath the snowdrifts, a black bear has just given birth. Two tiny cubs are nursing on their mother's rich milk. It is bitterly cold outside, but the mother's dense fur and thick layer of body fat keep her and her cubs comfortably warm. When spring arrives, the hungry bears will emerge from the den. For the next two years, the cubs will follow their mother as she teaches them to ...
