To say this book was controversial in the late 1960s and early 1970s is an understatement! The amazing thing is that many of his early conclusions have gained wide acceptance with millions of people. Ancient Astronaut Theory is, in my opinion, no longer fringe science and we have Erich to thank for it!!

Chariots of the Gods is a book better left unread. Better yet, watch the television show Ancient Aliens for a better-structured and more believable argument for the ancient aliens theory. One of the biggest issues I had with Chariots of the Gods was Daniken use of examples, facts, and myths that are difficult to verify.
