off things that are difficult, but this means that you might end up studying chemistry at the very end of the day when you are already worn out and too tired to think well.

Study Tips for Chemistry | Department of Chemistry

The worst thing you can do is wait until the last minute to study for a cumulative final exam, or for any exam for that matter. It is impossible to effectively study an entire semester or year's worth of material in one or two days. Even giving yourself a week can be a challenge.
