Childrens Book If You See

I love a good seek-and-find
book. You're probably
already familiar with the
classic I Spy books (which I
could NOT keep on the
library shelves when I was a
librarian - they never made
it out of the book drop
before another child swooped
in and snatched them up) and
Where's Waldo? from your own
childhood, but now the
shelves are bursting with
lots of new options that
your children will love.
