America's Untold Story - PBS International

The untold story of Chinese restaurants in America. (Pixabay) By Scholars Strategy Network. June 10, 2015. From the Scholars Strategy Network, written by Heather R. Lee, Massachusetts Institute of Technology. Virtually every American community has Chinese restaurants - and the story of how this came to be is fascinating and highly revealing about the often unintended impact of U.S. immigration rules.

The untold story of Chinese restaurants in America ...

One of George Washington's first signed laws was a limitation to any immigration to the new United States. While thousands of Chinese came to build the railroads, most were sent back home. An anti-Asian Immigrant Act of 1882 made it difficult for Chinese to come to America, especially women. The law was finally ended in 1965.
