Brothers Ori & Rom Brafman describe this as "quick-set intimacy" - and they say we can increase the number of these connections we experience with others. They say there are benefits to "clicking" with people. First, clicking brings about a unique, almost euphoric state, one that we describe as "magical."

those mysterious moment – when we click in life.

Book Review: Click, The Magic of Instant Connections ...

If you've ever met someone and instantly hit it off, the book Click can tell you why it happened. In this short and fascinating read, Ori and Ron Brafman state that certain factors must be present for two people to have what is called "Quickset Intimacy" (a.k.a. that magic moment when two people just click).
