Cocaine's Son is as much my story as it is my father's: my chronicle of growing up enthralled by a man I could not fully understand, of our sometimes painful efforts, after his drug problem was conquered, to remain in each other's lives, and the unexpected twists and turns that invariably led us back to each other. Whether or not your life has been touched by addiction issues, I hope this is a story with something to say about your own experience as someone's child or parent.

Cocaine's Son is the story of David Itzkoff's childhood and his very damaged relationship with his cocaine addicted father and his journey to establish a true relationship with his father post drugs.

~~Cocaine's Son: A Memoir by Dave Itzkoff - Goodreads~~

With sharp wit, self-deprecating humor, and penetrating honesty, New York Times journalist Dave Itzkoff turns a keen eye on his life with the mysterious, maddening, much-loved man of whom he writes, "for the first eight years of my life I seem to have believed he was the product of my imagination.". Itzkoff's father was the man who lumbered home at night and spent hours murmuring to his small son about his dreams and hopes for the boy's future, and the fears and failures of his own past.
