Course Description. The mission of Cognitive Coaching SM is to produce self-directed persons with the cognitive capacity for excellence both independently and as members of a community. Research indicates that teaching is a complex intellectual activity and that teachers who think at higher levels produce students who

Developing Self-Directed ...~~

Coaching in Self-Leadership: 16 Questions to Ask. Often coaching clients do not explicitly ask for support to develop their self-leadership skills, simply because the term self-leadership does not yet form part of common conversation. Instead, they usually have a particular desired experience or goal in mind they are hoping to attain.
