Books on Coins, banknotes, medals & seals | Waterstones
Coin collecting is the collecting of coins or other forms of minted legal tender. Coins of interest to collectors often include those that circulated for only a brief time, coins with mint errors and especially beautiful or historically significant pieces. Coin collecting can be differentiated from numismatics, in that the latter is the systematic study of currency as a whole, though the two ...

Coin collecting - Wikipedia
Numismatics is the study or collection of currency, including coins, tokens, paper money and related objects.While numismatists are often characterised as students or collectors of coins, the discipline also includes the broader study of money and other payment media used to resolve debts and the exchange of goods.Early money used by people is referred to as "Odd and Curious", but the use of ...
