Pacing Guide for 6th Grade.

The sixth-grade math curriculum was designed to be implemented over the course of a single school year. It includes eight units of study over 143 instructional days (including days for lessons, flex days, and unit assessments). We intentionally did not account for all 180 instructional days in order for teachers to fit in additional review or extension, teacher-created

Grade Math serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.
