Complaints and Disorders: The Sexual Politics of Sickness by Barbara Ehrenreich and Deirdre English, their sequel to Witches, Midwives and Nurses: A History of Women Healers, documents the role of the medical system in propagating and fueling sexist ideology. The authors argue it is not biology that oppresses women; it is a social system based on sex and class discrimination.

Diverticular Disease (DD) is the name given to small pouches (sacs) known as diverticula, that protrude outwards from the wall of the large intestine. Each diverticulum consists of a small part of the inner lining of the intestine that has been forced through the muscular layer of the intestine forming a small hernia.
