Quite simply the best wild mushroom book of its type. It goes into great detail describing the habitats of the most popular (and most deadly) types of funghi and then follows it up with a fantastic collection of recipes (of the former type of mushroom, obviously). If you collect wild mushrooms you must own this book.

I love making quiet books with a theme. I have many I want to make and "Under the Sea" was number one! In the process of making this "Under the Sea" quiet book I made new discoveries that I can't wait to share with you. First, I learned that using a combination of fabric and felt made for a more interesting Quiet Book.
