Confessions of a Learner Parent:
Parenting like a boss ...
Confessions of a Learner Parent is
an autobiography of author's own
experience with being a dad. I
found the book light and
interesting, I believe the author
has managed to expose the
experience from being non-parent
to being a parent - the complete
life change and when you are first
time parent to two in one go as
true to the fact as life is then from
his perspective.
