submittal has a more

File Type PDF

Construction

Shop Drawing Submittal Form
specific meaning: A construction submittal consists of shop drawings, samples, production specifications, technical data, and other written and/or physical information that help architects and engineers make sure that the correct items are installed in new buildings.

File Type PDF Construction Shop Drawing

How to Manage Construction Submittals / Smartsheet

Both construction drawings and shop drawings are done before the real construction begins.

While construction documentation includes building design and revisions that have taken place since the

File Type PDF Construction

Shop Drawing
Submittal Form

beginning of the project, shop drawings depict how the building was originally designed internally, with MEP components with their exact dimensions mentioned.
