Entrepreneurs ~~Contractors General Building And Law~~

Construction law. Although regarded as a sub-branch of general law, construction law has become a specialised discipline in its own right. Most people requiring legal advice in construction would probably seek the services of a construction lawyer rather than a general, 'all-purpose' lawyer . Construction law deals with all legal matters relating to the construction industry in all its manifestations, including building and infrastructure design and construction, business planning ...

There are many criminal laws which could, in theory, be applied to the construction industry, however in practical terms, the most likely way a construction company could fall foul of criminal law would be to fail in its obligations under the Health and Safety at Work etc Act 1974. Health and safety

~~A brief guide to UK construction laws – Designing ...~~

The documents to be assigned to the funder include the construction contract itself, the guarantee to the employer of the building contractor's obligations under the construction contract (which is given by one of its parent companies or – exceptionally for large contractors – the ultimate holding company in the group) and the performance bond from a third party surety to the employer.

~~Fixed-Price Builders' Legal Services from Stormcatcher Law~~

These laws are largely there to protect workers from being treated badly by their employer. Contractors don't need employment laws to protect their contracting business from being mistreated by agencies and clients. Their contractor limited company has a contract for services with agencies and clients, which is a business-to-business relationship.
