Here's a suite of 15 must-have tools copywriters should equip themselves with. 1. Copyscape (free) Copyscape is a free web-based tool that allows you to check the content of a single webpage and see if it contains any duplicate content found elsewhere on the web. Copywriters might also want to check out the pay-as-you-go version, which allows you to check a section of plain text, rather than an already-published webpage, for plagiarism.
