Hapkido - Démonstration de techniques self-défense - YouTube
As a Hapkido student progresses through the ranks he or she is able to learn weapons techniques. Most often to begin with self defense techniques (against the knife to begin with) are taught, followed by the baton in both an offensive and defensive situation. Other weapons include the rope, the sword and nunchaku.

Hapkido - Philosophy, Overview, Training, and Techniques!
Providing real-life tactical know-how, this manual discusses the evolution of hapkido into a modern art for self-defense as well as the key principles behind the contemporary system. Focusing on empty-hand techniques, this thorough reference illustrates effective defenses against strikes, kicks, grabs, chokes, knives and guns.
