The importance of joint cost allocation in creating a trade war between poultry farms in South Africa and the United States (Chapter 16).

Horngren's Cost Accounting: A Managerial Em 16th edition ...
While the accounting system provides information (e.g. product costs, downtime) for management decisions, cost management refers to active use of this information to plan and control costs. Cost management requires managers to actively seek ways to reduce costs. Much cost management occurs well before the accounting system recognises costs.
