Countdown Michelle Rowen

I am, and although the basic premise isn't new, trust me, Countdown by Michelle Rowen is one adventure that will have you hanging from your fingernails as a twisted society pits two teen throwaways against the evil machinations of artificial intelligence and a society that craves the thrill of an extreme reality show, from the safety of their viewing implants. Sick?

3 seconds left to live. Once the countdown starts, it cannot be stopped. 2 pawns thrown into a brutal underground reality game. Kira Jordan survived her family's murder and months on plague-devastated city streets with hard-won savvy and a low-level psi ability. She figures she can handle anything. Until she wakes up in a barren room, chained next to the notorious
