Craig Keener, Professor of New Testament at Asbury Theological Seminary, wrote a 2-vol, 1248 page book on Miracles in 2011. Keener has risked his academic reputation as a New Testament scholar by contradicting the anti-miraculous assumptions of modern scholarship (p. 579). Keener devotes several chapters to David Hume's classic rejection of miracles.

Craig Keener's new book *Miracles: The Credibility of the New Testament Accounts* is now available for sale. Writer Tim Stafford interviewed Craig for the December edition of *Christianity Today*.

Miracles - Research and Commentary from Dr. Craig Keener

With this book Craig Keener intends to expand upon his ideas as presented in a footnote in his recent commentary on Acts. His primary thesis is that eyewitnesses do offer miracle claims. He spends much of the book defending this thesis, and specifically targets the materialistic assumptions of David Hume and those who follow him.

Miracles: The Credibility of the New Testament Accounts by ...

Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. Frank interviews New Testament scholar Craig Keener not only about the reliability of the miracle eyewitness accounts of Gospels and Acts but also documented modern-day miracles. The evidence will leave with more than just something to think about.

Craig Keener: Miracles (Part 1) [Talbot Chapel] - YouTube

Craig Keener's *Miracles* is just such a book. Ever since the rise of the Enlightenment, academic circles have been inculcated with a naturalistic, anti-supernatural bias that pervades almost every discipline, from sociology to anthropology to psychology. And the discipline of biblical studies is no exception to that rule.

Miracles: The Credibility of the New Testament Accounts ...

"Western theology invariably asks the question: Are miracles possible? This of course addresses the Enlightenment problem of a closed universe. In much of Asia that is a non-question because the miraculous is assumed and fairly regularly experienced.—Hwa Yung" ? Craig S. Keener, *Miracles: The Credibility of the New Testament Accounts*

Craig Keener's *Miracles* is thus a major contribution to understanding the Christian faith, past and present. The book is all the more valuable because of Keener's thoughtful and bold analysis of the scientific method and the means by which we can test the miraculous. This massively researched study is both learned and provocative.

Miracles: The Credibility of the New Testament Accounts, 2 ...

Sunday, June 17, 2012 Craig Keener on Miracles To date I have not devoted a specific entry on my blog to a discussion of miracles. This is partly due simply to more important priorities, lack of time, and the fact that I'd expect anyone familiar with my worldview could surmise why I reject miracle claims.
