Techniques that are fun and engaging help to minimize resistance and involve the family in therapy. Colored Candy Go Around(Arkell, 2010) is a creative and playful activity to use with families in initial sessions. Small colored candies are needed for this activity, such as Skittles or M & M's. Distribute seven candies to each family member.

Creative Family Therapy Techniques: Play, Art, and Expressive Activities to Engage Children in Family Sessions. Bringing together an array of creative contributors, this resource presents a collection of assessment and treatment techniques. It illustrates how play, art, drama, and other approaches can effectively engage families and help them resolve complex problems.

Creative Family Therapy Techniques: Play, Art, and ...

The use of creative activities in family therapy such as games, art, and storytelling, facilitates the participation of all family members. Play and expressive arts techniques, in particular, offer an advantage over traditional "talk therapy" because children are provided with a more developmentally appropriate means to communicate.

This classic volume, now completely revised, has helped tens of thousands of therapists integrate play therapy and family therapy techniques in clinical practice. Eliana Gil demonstrates a broad range of verbal and nonverbal strategies for engaging all family members--including those who are ambivalent toward therapy--and tailoring interventions for different types of presenting problems.
