Crossing the Creek: A Practical Guide to--- book by---
January 17, 2015. "Crossing the Creek" is not only a practical guide to understanding the dying process, it's a sincere and caring look into the spiritual side of dying too. Holmes, as a registered hospice nurse, shows a tender compassion towards all aspects of a dying person's journey to the "other side." As he covers the physical, emotional, mental and spiritual aspects associated with this (to most people) fearful aspect of life, he makes it clear upfront that not everyone will agree with ...

Crossing the creek -a practical guide to understanding---
Crossing a creek or shallow ford is a common occurrence when bushwalking. Typically, The water crossing is on a track or a well used route; The water is shallow and the crossing looks easy. Group members cross independently. What could possibly go wrong? " Easy " water crossings are the cause of slips and falls, and in some cases more serious injuries.

Crossing creeks—Bushwalking Manual
At the local hospice I was given a book to read called, "Crossing the Creek." It is a short book that deals with the transition from this world to the eternal world that awaits us all. I was so moved by this book that I translated it into Spanish and this translation, as well as the other translations available online, have been read by thousands and thousands of people.
