"Cultures in Contrast" presents case studies, readings, and a variety of activities that require students to analyze and evaluate today's complex social and moral issues. The second edition updates the readings and units from the first edition, but also includes a new unit on binge drinking - one of the most troubling and growing issues facing U.S. campuses.

The occupational cultures of criminal justice practitioners are an under-researched area. In this article we argue that amidst changes in training regimes and in ways of working with offenders, different probation worker cultures co-exist which share common central values, including the belief in people to change and the importance of the relationship between probation worker and probationer ...

The second edition features a new unit on binge drinking, which has been added to recognize one of the most serious problems on college campuses today. Today, more than ever, students on college campuses are expected to have a sensitivity to and respect for diversity as well as a heightened awareness of individual rights and responsibilities.
