Every organization should have a basic expectation for employees to provide good customer service. Many businesses will define their standards of service as part of its customer service strategy, and train employees on how they are expected to behave when interacting with customers. This is also known as customer service standards.

## **Top 5 Customer Service Best Practices**

As stated above (re: Professionalism), customer service reps should be expected to conduct themselves in a way that is respectable, professional, and appropriate for the workplace, focusing more on issue resolution and less on relationship building.

## **Why Your Business Needs Customer Service Policies And ...**

Service standards A service standard helps to define what a customer can expect from a service and how it should be delivered by the service provider, e.g. in terms of timeliness, accuracy and suitability. Up to now, the development of such standards has been limited.

## **Service standards | Internal Market, Industry ...**

Customer Service Standards. Government agencies often have a reputation with the public for poor performance. But President Clinton is attacking that perception head-on. In his Executive Order 12862, Setting Customer Service Standards, the President states: "the Federal Government must be customer-driven. The standard of quality for services provided to the public shall be: Customer Service equal to the best in business."

## **Customer Service Standards - OPM.gov**

To achieve the Customer Service Kitemark, you'll be assessed by one of our expert auditors against two national/international standards and your customer satisfaction measurement. The service standards assessed are: BS 8477:2014 – Code of practice for customer service (download from the BSI Shop) BS ISO 10002:2018 – Customer satisfaction.
