~~Cybercrime The Transformation Of Crime~~

Rather than 'decent' desperate nineteenth-century street crime that sends minorities to prison, cybercrime is virtually new; a risky frontier for the middle classes. These new forms find the police ill suited and untrained for their investigation, businesses ready to exploit them, academics fretting – and few, other than David Wall, writing about them with clarity, honesty and detail.

New technological capabilities at their disposal now mean that one person can effectively commit millions of robberies of one dollar each. Against this background, the author scrutinizes the regulatory challenges that cybercrime poses for the criminal (and civil) justice processes, at both the national and the international levels.
