International IH D239 Engine Long Block Rebuilt for sale ...
The International Harvester DT-239 engine is a four-stroke, four-cylinder diesel engine, produced by International Harvester. It is a wet-sleeve engine meaning that the cylinder liners are in direct contact with the water jacket. There is also a D-239 engine that is identical other than the DT series having a turbocharger.

Used Complete Engines - Waters Tractor, LLC
The International Harvester Company (IHC) has been building its own proprietary truck engines since the introduction of their first truck in 1907. International tended to use proprietary diesel engines. In the 1970s, IHC built the DVT 573 V-8 diesel of 240 and 260 hp (179 and 194 kW) but these were not highly regarded and relatively few were sold.
