PDF Damages in EU Public Procurement Law (Studies in

The Supreme Court judgment reversed a Court of Appeal decision on 15 December 2015 on a preliminary point of law arising from a claim for damages under the Public Procurement Directive 2004/18/EC and the Public Contracts Regulations 2006 in respect of the award of a contract by the Nuclear Decommissioning Authority (NDA) for the decommissioning of 12 Magnox power stations.

The damages remedy in public procurement claims | Gowling WLG

The aim of this book is to analyse the remedy of damages in public procurement law. The European Directive of 11 December 2007 amending Council Directives 89/665/EEC and 92/13/EEC has reaffirmed the importance of damages as a tool to enforce the proper award of public contracts, but has left the exact architecture of the damages remedy in the hands of the Member States. This book offers an overview of damages liability which is inclusive, coherent and practical, covering the relevant law and ...

Public Procurement Law: Damages as an Effective Remedy

It concluded that such a law was not compatible with EU procurement law for a number of reasons including: An effective remedy is required and no effective remedy may be possible if damages are not always available; As damages are supposed to be an alternative to other remedies (e.g. injunctions) they must be a complete alternative

Are damages available for public procurement breaches?

Every year, over 250,000 public authorities in the EU spend around 14% of GDP on the purchase of services, works and supplies. Public procurement refers to the process by which public authorities, such as government departments or local authorities, purchase work, goods or services from companies.

Issue 2/2020 of the European Procurement & Public Private Partnerships Law Review (EPPPL) shows how public procurement, when designed and applied properly, can help address major environmental or economic issues. This edition also offers expert insights into all levels of the public procurement world: regional, national, European and international.

EPPPL - European Procurement & PPP Law Review

Public procurement law regulates the purchasing by public sector bodies and certain utility sector bodies of contracts for goods, works or services. The law is designed to open up the EU's public procurement market to competition, to prevent "buy national" policies and to promote the free movement of goods and services.
