Angels and Allies 7

July 2012 | 6th Edition

Time to digest the implications of 6th addition, first in terms of allies, upon the Dark Angels. Of all the changes wrought by 6th Edition 40K (how they impact on the Unforgiven will be examined in more detail in subsequent articles), the use of

allies has for me been
the most dramatic.

Example Late 7th edition Codex (Dark Angels) These codexes had a standard white name with their faction type.
