Amazon.com: Customer  
reviews: David Busch's  
Compact Field ...

The 70D Compact Field Guide  
is without question the best  
presentation of the 70D  
between his two literary  
versions. (See my review of  
his Digital SLR book version  
for a more complete review.)  
In truth, the "Field Guide"  
version is the best, most  
comprehensive, and readable  
presentation of the 70D  
currently available.
