De Historia et Veritate Unicornis On the History and Truth

Although in its flights of fancy it arguably flouts the lineage of actual early literary sources raising the question of the existence of the unicorn (such as the Indica of Ctesias in the late 5th century B.C.E. and Pliny the Elder's De Historia Naturalis in the 3rd century A.D.) in which I have since developed an interest, the style of this charming and mysterious book speaks directly to an essential part of my childhood, namely my personal method of invention which intentionally ...
