George Pendle knows there is more to Death than a hood and scythe. The offspring of Satan and Sin, Death, is tired of being misunderstood, and he sits to set the record straight. Since the beginning of Creation -- a time when plants and animals roamed the earth wearing plastic name tags to identify themselves -- Death has been with us.

Death: A Life by George Pendle is a satirical novel pretending to be a memoir written by Death chronicling his life and work. Really though, it's a parody of religion and creationism. Initially, I picked up Death: A Life because the concept of a memoir written by Death struck me as hilarious, but I wasn't expecting it to be as well written and entertaining as it was.

34 quotes from George Pendle: '(pg.31) "As it was, my first days on Earth were somewhat anticlimactic. Mother and Father seemed so happy tempting and corrupting that I didn't want to interrupt them. But the fact was that I hadn't the slightest clue what to do with myself. I tried to convince cows to take over the world, to rampage across the fields slaughtering all in their wake, to start a ...
