With the publication of Erik S. Gellman's Death Blow to Jim Crow my search is over. Gellman warns readers that this first study of the nnc is not an exhaustive exploration of " all seventy-five of its councils across the country " (p. 5). Rather, by examining only five regional councils Gellman produces an engaging narrative that provides a broad overview of the key personalities and events in the organization's history from 1935 to 1947.
