Ruthless is book two in the Deathless series and is set 16 years after the first book. This was fabulous, a real page turner. It was good to catch up with Lord Vasin, Lady Pari and Mother Chandri. I loved reading about Sa-at and his life with Crowflies. It's a complex world, with lots of engaging characters.

The Ruthless by Peter Newman is a fantastic 'Part 2' of what will be a trilogy, charting The Deathless. The action picks up exactly where it left off, although sixteen years have passed, allowing the babies of the book to be all grown up and therefore more involved in what's happening.

Although I love Catherynne Valente's writing, this particular book had me going both ways. Part One, I loved. It drew me in with its prose and magic that all good fairy tales should embody. Part two, on the other hand, had me wanting to throw the book as far as I could. Being that it was on my Kindle, I thought that a bad idea.
