Mapping the Sources of the Pan-American Idea. Although U.S.-defined Pan-Americanism emerged in the late nineteenth century as a broad desire to forge hemispheric connections, with commercial interests at the core, a more subtle Pan-American discourse evolved alongside it, which the U.S. government articulated as an ideological tool for defining a rhetoric of common purpose and regional identity based on understanding South, Central, and North America as a hemisphere.

*Does the recovery start here? Harley-Davidson posts Q3 ...*

Harley-Davidson will launch the Pan America adventure bike next year, but before the motorcycle goes on sale, a prototype or so Harley says, is being showcased in the company's showrooms across Europe. The idea is to gauge customer reaction and possibly get some bookings for the motorcycle as well. The Pan America is Harley-Davidson's first foray into the adventure bike segment, and the design is somewhat different and radical from the common big ADV designs we are used to from Japanese and ...
