Get an answer for 'What are some significant examples of 'destructive choices' made within the book and their subsequent consequences?' and find homework help for other Atonement questions at eNotes

What are some significant examples of 'destructive choices ...

This destructive pattern arises from an inner identity that seeks to resolve a childhood dilemma about not being smart enough to make logical choices because authority figures consistently discount them. This dilemma results in an insatiable status-seeking and an excessive need to be seen as important by others.

How to Identify Destructive Leadership Patterns

Hi, everyone! If you've been following my blog, you know that we recently explored two of the three destructive dieting voices which are listed in the fabulous book, *Intuitive Eating*, *The Food Police* and the *Nutrition Informant*. To wrap up our three-part destructive dieting voices series, let's talk about the third destructive dieting voice - the *Diet Rebel!*

Destructive Dieting Voices: Part 3 - The Diet Rebel!

We often do harmful things to ourselves because we're not aware of their consequences. Even the smallest decisions that we make in a nanosecond on a daily basis, like drinking another cup of coffee with the hope that it will make us energized or spending another minute on Facebook instead of going to sleep can be severely destructive if we take a look at the long-term effects.

7 Seemingly Small Yet Insanely Destructive Lifestyle Choices

It is widely agreed upon that beef is one of the most destructive foods for the environment. According to FAO , animal agriculture is responsible for 14.5% of greenhouse emissions in the world.

Environmentally destructive foods we all consume
