Directing for the Stage: A Workshop Guide of Creative ...

The lay of the land in terms of directing relates to the stage, its relationship to the audience, the play or musical being produced, and the ultimate scenic design elements that will be used. These four factors must be carefully studied, defined, and analyzed before any decisions regarding stage space and how it's to be used can be made.

20+ Directing For The Stage A Workshop Guide Of Creative ...

Directing is a great way to stay creatively inspired, and learn a lot about acting at the same time. It can be a daunting endeavour at first, but very rewarding. It allows a lot of insights into the craft as a whole, and even if it is not a path you want to pursue full time, it is something every actor should try at least once to better understand where the actor fits into a production as a whole.

Tips for Directors: Help for the First-Time Director

Directing is not easy. The director is the leader, the visionary, and the person that gets blamed if the final product is garbage (ways to recognize if your show is garbage: 1) people leave at intermission, 2) your dramatic high point gets laughs, 3) it's described as "cute" or "nice", 4) your audience tells you it sucks, 5) your mother tells you it sucks, and worst of all 6) your ...
