The double-entry journal is a two-column journal. In the left column, students write a piece of information from the text, such as a quotation or a concept, which students want to expand upon, understand better, or question. In the right column, students relate to or analyze the information that is written in the left column.

Double-Entry Journals - TeacherVision

In academics, a double-entry journal or a dialectic journal is a kind of journal that is divided in two. The left column is where the summary of the original text go and the right column is for the ideas, questions, and reactions. For the purpose of this article, we will focus more on the journal's academic use.

10+ Double Entry Journal Templates - PDF, DOC | Free ...

Double-entry bookkeeping, in accounting, is a system of book keeping where every entry to an account requires a corresponding and opposite entry to a different account. The double-entry has two equal and corresponding sides known as debit and credit. The left-hand side is debit and right-hand side is credit. In a normally debited account, such as an asset account or an expense account, a debit increases the total quantity of money or financial value, and a credit decreases the amount or value. O

Double-entry bookkeeping - Wikipedia

A double-entry journal is a comprehension strategy that students can apply to any text. In preparation to write in double-entry journals, students must fold a paper in half or draw a line down the middle of the page. As students read, they record phrases or words that stand out to them in the left-hand column. After finishing reading, students ...
