Duck On A Bike

The book is basically this: Duck learns how to ride a bike and goes on a ride around the farm. Each farm animal makes a comment as duck rides by on the bike. The animal's comments range from cautions (watch where you are going) to some that sound mocking (show-off, not as fast as me) to more positive (wishing they could ride too), to silly (wanting to eat a bike).

"Duck on a Bike" by David Shannon is a hilarious story about a curious duck who decides to ride a bike. The duck rides its bike past several farm animals, each one with a different opinion. Some think it is cool, some are jealous, and some warned him to be careful. Later in the story, a group of children on bikes parked them near the animals.

Beautiful collectible tin model of a duck on a bike. The design stamped on the tin is incredible and highly detailed, making it an instant focal point of any tin figure collection. Wind up the key to prime the clockwork mechanism and make the bike move forward whilst the propeller on the duck's hat spins. This tin figure is highly sought after by model collectors who will jump at the chance to add it to their collection.
