~~Dungeons and Zombies Review — Flames Rising~~

Zombies are Undead pack creatures. These piles of rotting flesh are made by killing heroes and then placing them in the graveyard. They are very likely the first Undead creatures you will get besides the Banshee, serving well as cheap cannon fodder to grind down on hero's while other monsters finish them off.

~~Zombies | Dungeon 3 Wiki | Fandom~~

In the Dungeons & Dragons fantasy role-playing game, the zombie is an undead creature, usually created by applying a template to another creature. Bloodthirsty zombie - drains blood with its bite. Corpse ceature - a zombie that retains knowledge and skills it possessed in life. Death Tyrant - Zombie beholders which possess some of their deadly abilities. Diseased zombie - carries a disease ...
