Propaganda was spread through art, literature, films, news, education and youth groups. Through this cult of personality Stalin was able to rule his personal dictatorship unopposed and unquestioned. If this "cult" was not enough in getting people to follow him, the fear (otherwise known as "the Terror") he struck in them was.

Stalin's cult of personality - UK Essays

That's just what Americans do by fetishizing academic ability as a true measure of just deserts. In policy clichés accepted by left and right, education is the foundation of meritocracy—the foundational belief of what deBoer terms the "Cult of Smart." Its near-monopoly on education policy emphasizes the need for one-size-fits-all standards and disruptive quick-fixes: tech gimmicks; Facebook's partnership with Newark schools; No Child Left Behind, Common Core, and standardized ...
